

NORTHERN ILLINOIS CANCER TREATMENT CENTER

LEE COUNTY, ILLINOIS

Project Description

CLIENT: Northern Illinois Cancer Treatment Center
Jon Berens
815-284-1111

LOCATION: Lee County Illinois

PROJECT COST: \$8.7 million

COMPLETED: 2010

DESCRIPTION: The cancer treatment center hired Wendler to assist with the 9,700 square foot building expansion at their existing facility.

Wendler provided professional services to complete topographic and boundary surveys; prepare civil site plans including grading, storm water management and erosion control; and construction staking.
