

PRAIRIE PROFESSIONAL PARK

SYCAMORE, ILLINOIS

Project Description

CLIENT: Dennis Collins, DDS—Collins Dental Clinic

LOCATION: Sycamore, Illinois

PROJECT COST: \$350,000

COMPLETED: 2005

DESCRIPTION: Prairie Professional Park is a 12 acre commercial development focusing on providing premier lots for professional office buildings. The client had very specific criteria for the design including incorporating Prairie style elements to ensure the appearance of the subdivision will preserve and protect the land values in the subdivision.

Specific services included topographic survey, construction staking, roadway design including watermain and sanitary sewer extensions, detention pond & storm sewer design and structural analysis of cosmetic bridge.
